

Secretariat for Jesuit Higher Education Association of South Asia (JHEASA)

Jesuit Conference of South Asia (JCSA), at its meeting in Patna in Oct 2008, approved the setting up of a New Secretariat for Higher Education, as it was noted that the Intellectual Apostolate has influenced and enhanced our capacity to serve the Church and secular culture. Serious intellectual work and reflection will continue to impact our global capacity to provide the level of excellence that evangelization requires today. JHEASA is comprised of all the Institutions beyond Higher Secondary Education. It includes the Graduate, Post Graduate Colleges and Research Centers, B. Ed. Colleges, Management Institutes, Engineering, Law and other Profession Institutions, Theologates and Philosophates. A further modification has been made to JESASA in the New Secretariat Structure approved by JCSA Ranchi Oct 2019. The commissions of JESCOM and AICUF will come under the umbrella of JHEASA.

Joye James (KER)

Secretary, JHEASA.
